

OUTDOOR *Easter Egg Clues*

for little kids

I have windows and doors but I am not your house! I go vroom vroom and love to be ridden.

You step on me everyday before you leave.

I hold food for birdies outside, check my opening for a special treat!

I hold flowers in my base,
and love to be watered.

I love the outside, and have many green leaves.
I grow big and tall and you love to climb on me!

If you can't see the Easter Bunny's bushy tail, be sure to check the mail.

Don't touch me if I'm on. I am where adults cook outside.

I am green and I grow, and what you mow!

I give light to the porch, so you can see your steps in the dark.

I am where the car is parked indoors, and am a large moving door.
